

Warren County Community College
2009 Institutional Profile

I. Major Public Service & Academic Activities

WCCC is committed to being a community educational partner designed to meet the growing and unmet needs of the county and its residents. We seek to embody our motto of “Learning without Limits.” Below is a sampling of our efforts of *bringing the college to the community*.

- Dr. William Austin brokered an agreement with Felician College to bring four new bachelor’s degree programs to the campus.
- Warren County Community College hosted a reemployment seminar which targeted recently unemployed workers.
- The College hosted the Warren County College Fair which includes more than 100 colleges and universities from virtually every region of the country.
- WCCC participated in more than a dozen town and county fairs.
